# ABOUT US

At MKQ Cleaning Services, we provide complete interior and exterior cleaning solutions for homes, cars, and yachts. With a commitment to quality and customer satisfaction, we ensure every space and surface we touch is left spotless, polished, and refreshed.

Our trained team uses modern cleaning techniques and eco-friendly products to deliver reliable, high-standard results. From home deep cleaning to professional car and yacht care, we focus on both cleanliness and hygiene, creating safe, comfortable, and beautiful spaces for our clients.

At MKQ, we don't just clean — we care for your space like it's our own.

# OUR SERVICES

- ▶ **Car Cleaning & Polishing**  
Complete **interior and exterior polish** to restore shine and protect your vehicle's surface. **Steam car wash** for a deep and hygienic clean that removes dirt, stains, and odors effectively.
- ▶ **Yacht Cleaning & Polishing**  
Specialized **interior and exterior yacht polish** designed to maintain elegance, brightness, and surface protection even in harsh marine conditions.
- ▶ **Home Cleaning Services**  
Thorough **interior and exterior** home cleaning covering every detail — from carpets, sofas, and mattresses to floors, windows, and outdoor areas. We ensure a spotless, fresh, and healthy living environment.

# INTERIOR POLISH

- Cleans and polishes dashboard, panels, and trims
- Restores shine to leather, plastic, and vinyl surfaces
- Removes dullness and minor stains, giving a refreshed look
- Leaves a pleasant, long-lasting fragrance inside the cabin

# INTERIOR

# CAR POLISH

Our interior and exterior car polishing service is designed to revive your vehicle's shine, remove imperfections, and protect its surfaces for long-lasting brilliance. We use high-quality polishing compounds, protective coatings, and expert techniques to give your car a flawless finish — inside and out.

## EXTERIOR POLISH

- Removes fine scratches, swirl marks, oxidation, and stains
- Restores the paint's natural gloss and enhances color depth
- Adds a protective layer against UV rays, dust, and moisture
- Polishes chrome parts, headlights, and trims for a clean, glossy look

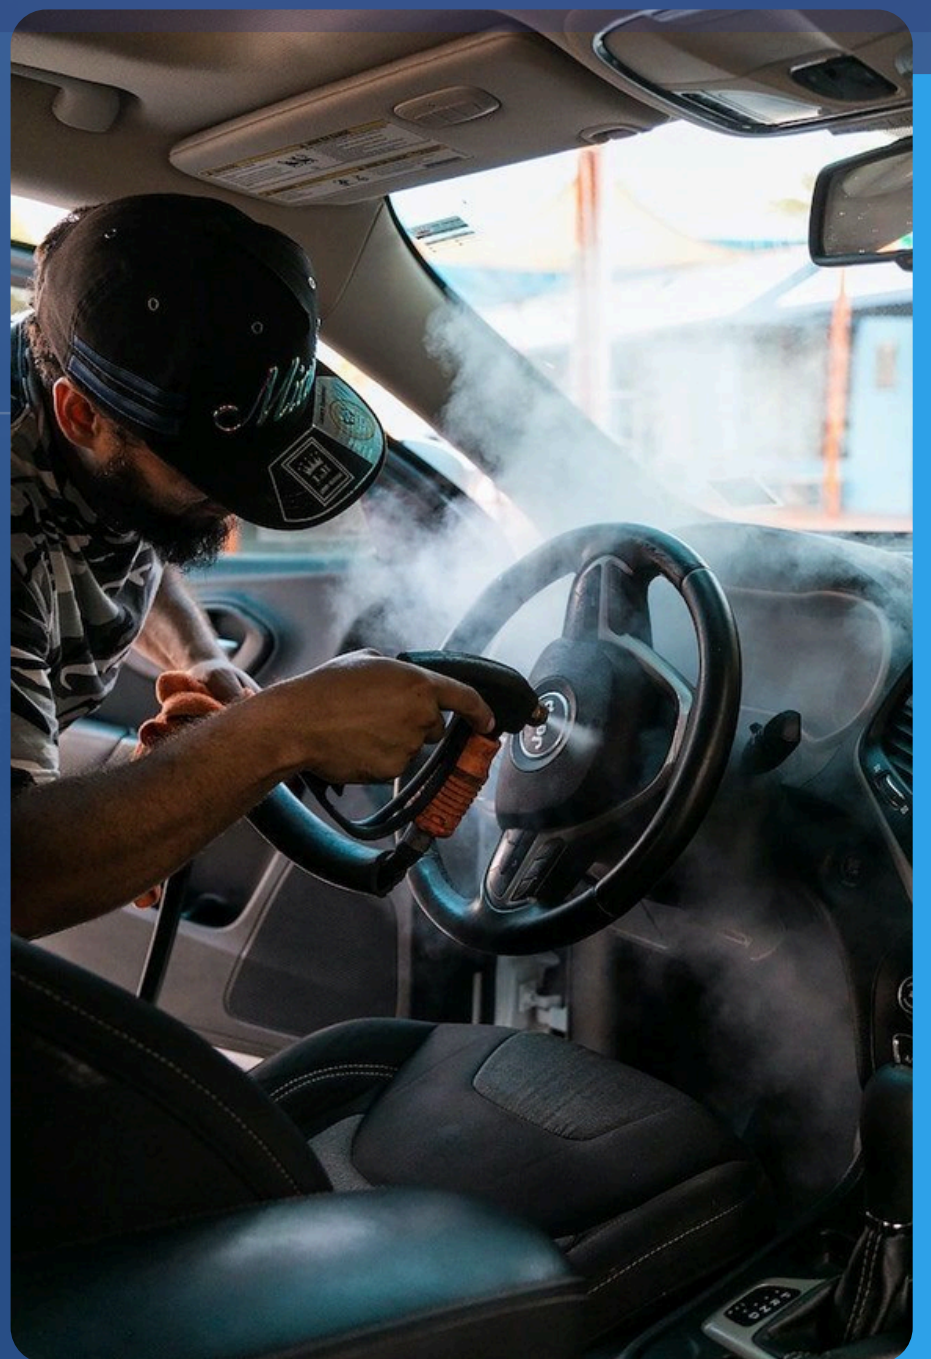

# STEAM CAR WASH →

Our steam car wash offers a deep, chemical-free cleaning experience that's safe for your vehicle and the environment. Using high-temperature steam, we remove dirt, grease, and bacteria from both the interior and exterior, ensuring a spotless and hygienic finish. This method not only cleans effectively but also preserves your car's paint, materials, and overall look.

- Removes tough dirt, grease, and stains effectively
- Sanitizes interiors by killing germs and bacteria
- Gentle on paint, leather, and upholstery
- Eco-friendly process with minimal water usage
- Restores shine and freshness inside and out

# YACHT INTERIOR & EXTERIOR POLISH

Our yacht polishing service is designed to maintain the beauty, protection, and shine of your vessel. We use marine-grade products and expert techniques to remove oxidation, stains, and dullness, restoring a flawless glossy finish to both the interior and exterior surfaces.

## Key Features:

- Removes oxidation, water stains, and surface dullness
- Restores and enhances color depth and shine
- Protects surfaces from UV rays, salt, and moisture
- Polishes metal, fiberglass, and wooden parts safely
- Keeps your yacht looking elegant and well-maintained

# HOME CLEANING

Our home cleaning service ensures your entire space stays spotless, hygienic, and welcoming. From daily cleaning to detailed deep cleaning, we take care of every corner with precision and care.

## Our Service Covers:

- Complete cleaning of bedrooms, living rooms, kitchens, and bathrooms
- Dusting, sweeping, mopping, and sanitizing all surfaces
- Cleaning of windows, walls, doors, and floors
- Balcony and exterior area cleaning
- Removal of cobwebs, stains, and dirt buildup
- Ensuring your home feels fresh, organized, and renewed

# DEEP HOME CLEANING

Our deep home cleaning service focuses on the comfort essentials that need extra attention like carpets, sofas, and mattresses, which often collect dust, stains, and bacteria over time. We use advanced cleaning and sanitizing techniques to restore freshness, texture, and hygiene without damaging the materials.

- Carpet & rug cleaning to remove dust and allergens
- Sofa cleaning for a stain-free, fresh look
- Mattress cleaning to remove dust mites and odors
- Safe sanitization of fabrics and surfaces
- Odor removal for a clean, pleasant atmosphere
